At 99 Cents Only Stores, LLC, we are recruiting talented individuals for the position of Assistant Store Manager. 99 Cents Only Stores is a unique extreme value retailer of primarily name brand consumables and general merchandise. We provide an exciting primary shopping destination for value-conscious consumers, and a fun treasure-hunt shopping experience for individuals and families in our communities! Our corporate associates support our stores in delivering an exemplary experience to customers with a fun, friendly and energetic approach, resourceful problem-solving, and innovating ideas that bring great products at great value to families throughout the communities we serve. We offer competitive medical, dental and vision plans, an outstanding 401K plan, and fantastic career opportunities! If this sounds like your next career step, read on!

The Position

The Assistant Store Manager (ASM) is responsible for driving the stores merchandising strategy through presentation, product selection, inventory, display and disposal to generate profitable store growth. The ASM will partner with the Shift Lead to run daily operations in the absence of the Store Manager. This person must have strong training and communication skills, and should be able to manage projects from inception to completion. The ASM will ensure that customer needs and expectations are met through optimal product selection and visual merchandising throughout the store while managing the 99¢ Only Stores brand.
